About Us

Super Hylam Pvt. Ltd. is a leading manufacturer of high-pressure decorative laminates, delivering innovation and quality since its inception in 1994. With a strong foundation built on excellence, technology, and trust, we have emerged as one of India's most respected names in the laminates industry.

We are proud to be an ISO 9001:2008 (Quality Management), ISO 14001:2004 (Environmental Management), and ISO 18001:2007 (Occupational Health & Safety Management) certified company – a testament to our commitment to superior standards in every aspect of our operations.

Each Super Hylam product meets the stringent quality norms of the Bureau of Indian Standards (IS 2046:1995), ensuring consistency, reliability, and long-lasting performance. Our laminates are crafted in a state-of-the-art manufacturing facility, equipped with advanced imported machinery and premium imported design papers made from highly stable, fade-resistant pigments. This ensures exceptional durability, vibrant aesthetics, and superior surface performance, even after years of use.

Driven by a passion for perfection, Super Hylam continues to push the boundaries of design and innovation. With a perfect blend of craftsmanship and technology, we strive to offer laminates that not only enhance interiors but also reflect the spirit of modern living.

Super Hylam Pvt. Ltd. - Redefining Surfaces. Inspiring Spaces.

Vision

SUPER HYLAM'S VISION IS TO BE A GLOBAL COMPETITIVE FORCE IN MANUFACTURING LAMINATES WHILE GIVING THE BEST EXPERIENCE TO THE CUSTOMER

Mission

SUPER HYLAM'S MISSION IS TO ATTAIN GLOBAL COMPETENCE THROUGH MANUFACTURING SUPERIOR QUALITY LAMINATES AT MOST COMPETITIVE PRICE FOR IT'S CUSTOMER.

Values

SUPER HYLAM STRIVES TO ENSURE CUSTOMER SATISFACTION BY CONSISTENTLY MANUFACTURING HIGH QUALITY DECORATIVE AND INDUSTRIAL LAMINATES.

At Kiyalam, quality is not just a promise – it's a certified commitment. Our dedication to excellence, sustainability, and safety has earned us recognition from some of the world's most respected certification bodies.

ISO 9001
for Quality Management Systems

ISO 14001
for Environmental Management

ISO 18001
for Occupational Health & Safety

CE Certification
ensuring compliance with European
quality standards

FSC Certification
guaranteeing responsibly sourced,
eco-friendly materials

These certifications reflect our ongoing pursuit of perfection and our adherence to global standards at every stage, from raw material selection to final product delivery.

Every Kiyalam laminate carries the mark of trust, sustainability, and performance making us a preferred partner in international markets.

Kiyalam - Certified for Quality. Trusted Worldwide.

TECHNICAL FEATURES

APPLICATIONS AREA

FIRE RESISTANCE

Our laminates are engineered with advanced, self-extinguishing properties, providing critical protection and peace of mind. This product meets rigorous safety standards, significantly slowing the spread of flames in the event of a fire.

SCRATCH RESISTANCE

Designed for high-traffic areas, the surface features a tough, protective top layer that resists daily wear and tear. Keep your surfaces looking pristine and new, standing up against dropped objects and furniture movement.

STAIN RESISTANCE

The non-porous finish prevents liquids like coffee, wine, and oils from penetrating the surface. Spills wipe away easily with just a cloth, ensuring effortless maintenance and long-term clean aesthetics.

WEATHER PROOF

ENVIRONMENT FRIENDLY

TERMITE RESISTANT

VALUE FOR MONEY

LONGEVITY

MANY DESIGNS TO CHOOSE FROM

HIGH QUALITY FINISH

RESIDENTIAL

Create beautiful, comfortable, and durable living spaces. Ideal for kitchens, living rooms, and bedrooms where style must meet the demands of everyday family life and foot traffic.

COMMERCIAL

A robust solution for offices, lobbies, and workspaces. This product provides an attractive, professional appearance that can handle heavy furniture, office chairs, and continuous client/employee use.

HOSPITALITY

Perfect for vibrant public areas like cafes and bars. The material offers superior resistance to scuffs and spills, maintaining a welcoming and elegant environment for your guests over years of service.

SHOPS & SHOWROOMS

Showcase your products on a foundation built for performance and appeal. It withstands frequent customer movement and display changes while offering a variety of designs to complement your brand aesthetic.

PUBLIC PLACE

Engineered for resilience in challenging environments, including malls, schools, and transit areas. Its rugged construction ensures maximum longevity and minimal maintenance in high-volume public settings.

HOTELS & RESTAURANTS

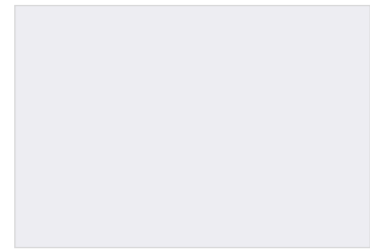

Deliver a premium guest experience from the lobby to the dining room. Our surfaces offer sound dampening, easy cleaning, and luxurious visuals, maintaining elegance across diverse operational zones.

TECHNICAL SPECIFICATION

SIZE :- 2440 X 1220 X 0.8MM-1MM					
Properties	Test Method as per EN 438 Part 2 : 2016	SPECIFIED VALUES	Test Result of Kiyalam Laminate	Remarks	
Thickness & Maximum variation	EN 438-2-5	0.80 ±0.10 mm	0.80 ±0.08 mm	Satisfactory	
Length & Width Tolerance	EN 438-2-6	+ 10mm	+02mm	Satisfactory	
		- 0mm	-0mm	Satisfactory	
Resistance to Surface wear (Revolution Minimum)	EN 438-2-10	Ip≥150	225	Satisfactory	
		Fp≥350	450	Satisfactory	
Resistance to immersion in Boiling water	EN 438-2-12	Rating-4 (min)	Rating-5	Satisfactory	
Resistance to Dry Heat at 160 deg C Appearance (Grade not worse Than)	EN 438-2-16	Rating -4	Rating-4	Satisfactory	
Dimensional Stability at elevated temp. (Max. %)	EN 438-2-17	Longitudinal	≤ 0.55%	0.41	Satisfactory
		Transverse	≤ 1.05%	0.74	Satisfactory
Resistance to Wet Heat at 100 deg C	EN 438-2-18	Rating-5	Rating-5	Satisfactory	
Resistance to Impact by Small -Diameter Ball	EN 438-2-20	≥ 20 N (min)	25	Satisfactory	
Resistance to Cracking	EN 438-2-23	Rating-4	Rating-5	Satisfactory	
Resistance to Scratching	EN 438-2-25	Rating-5	Rating-5	Satisfactory	
Resistance to Staining (min)	EN 438-2-26	Group 1 & 2	Rating-5	Rating-5	Satisfactory
		Group 3	Rating-4	Rating-4	Satisfactory
Light Fastness (Xenon- Arch Light)	EN 438-2-27	Contrast 4 to 5	4	Satisfactory	
Surface Quality	EN 438-3-6.3, 5.2.4	mm2/M2 1.0 (max)	Complies	Satisfactory	

Focused on consistency, safety, and durability, we deliver surfaces that are visually refined and technically superior.

KIYA WORLD

LAMINATES for The WORLD

We are committed to delivering world-class laminate solutions crafted for global markets. With a strong foundation in innovation, precision manufacturing, and international quality standards, our products are designed to perform across diverse climates and applications.

Our export collection reflects a deep understanding of global design trends bringing together contemporary aesthetics, timeless textures, and superior durability. From solids to woods, stones to digital finishes, every surface is engineered with attention to detail and consistency.

Backed by advanced technology and strict quality control, we ensure reliability, strength, and long-lasting performance in every sheet. Our manufacturing processes meet international benchmarks, making our laminates a trusted choice across continents.

We don't just create laminates.
We craft surfaces ready for the world.
